

NEW PRESIDENT . . . Ralph Garland, left, Torrance home builder and subdivider, is congratulated by Victor R. Johnson following his election to president of the Young Home Builders Council, educational arm of the Home Builders Assn. of Los Angeles, Orange and Ventura counties. Johnson is 1963 YHBC president.

Ralph Garland Serves As YHBC '64 President

Ralph Garland, president of Sunnylen Construction Co., Inc., will serve as 1964 president of the Young Home Builders Council, educational arm of the Home Builders Assn. of Los Angeles, Orange and Ventura Counties, it has been announced by Victor R. Johnson, 1963 YHBC president.

Garland, subdivider and home builder of Torrance, has been in the home building industry for the past 17 years. He served as a title officer with Title Insurance and Trust Co., Los Angeles, 1946 until 1953; joined R. A. Watt Construction Co. in 1953; and formed his own construction firms, Sunnylen and Kenland Development Co., both of Torrance, in 1962.

Other officers for 1964 are: James E. Settles, Union Bank, Beverly Hills, first vice president; Gregory B. Snyder, Greg Snyder Development Co., Pasadena, second vice president; Richard C. Hunsaker, S. V. Hunsaker and Sons, Covina, treasurer; and Harold A. Sharp, Southern California Gas Co., Los Angeles, secretary.

Thanksgiving Is Friday in One Home

Thanksgiving will be one day late at one Torrance home this week. Airman 2/c Ronald E. Rainwater, stationed on St. Lawrence Island in the Bering Sea off Alaska for 13 months, will return to Torrance Friday after completing four years of service with the Air Force.

Anxiously awaiting the return of the 25-year-old airman is his wife Betty, 21618 Harvard Blvd. Before entering the service, Airman Rainwater attended military school and high school in Portland, Ore. He is a native of Everett, Wash. The serviceman was stationed at Ft. Lee, Va., during the early months of his Air Force service, and then spent two years in Baker, Ore., before receiving the St. Lawrence Island assignment in the fall of 1962. Rainwater plans to enter the real estate profession on his release from the service.

Church Plans To Construct New Sanctuary

Christ the King Lutheran Church, 2706 W. 182nd St., will break ground for a new \$325,000 sanctuary designed by architect Culver Heaton May 1, 1964.

"Operation Rise Up and Build," which resulted in the pledging of \$85,000 by 200 families financed the sanctuary and the clearance of all debts from the land and buildings of the eight-year-old congregation. Holdings are valued at a quarter million dollars. Larry Bego, in charge of the finance committee, is assisted by Bill Sands, Vacco Lockso and Ed Taylor. Building committee includes Warren Bachmann, chairman, Joe Kindseth, Carl Petrick, Bud David, Charles Clayton and Jack Gillespie.

The Rev. Maynard V. Midthun has served as the congregation's pastor since its formation in 1956. Rose Mary Ulland's service as parish worker dates back to the summer of the same year. Christ the King's new sanctuary will seat 695 in the nave and 95 in the choir.
